Alexis and Sylvia,

I have attached an update of the slides that I sent yesterday. The earlier version of slide 2 incorrectly included \$1 million that AR paid to EPA and NDEP for upgrades to the OU8 Fluid Management System.

Let's use these slides for our discussion today.

Best Regards,

**Bob**

Alexis and Sylvia,

We have made great progress together on the agreements related to the Anaconda

mine site. I believe that Anaconda (Yerington) can be an exemplar for how industry, state and federal agencies can work together to advance a site in an innovative way. I have attached a few slides to support our discussion tomorrow about EPA past costs at the site. I look forward to the conversation.

Best Regards,
